2019 MAPLE EQUIPMENT GRANTS

K-12 New Hampshire classrooms are invited to apply for one of 5 maple equipment grants. Use these supplies for hands-on learning to discover science, social studies, language arts, math and more through a New Hampshire tradition.

- Applications must be submitted by midnight on December 20, 2019.
- Winners will be notified by 1/3/20
- All winners must participate in the Tucker Mountain Challenge.
- Equipment to be picked up in Concord, most likely in January.

**BASIC EQUIPMENT PACKAGE (2 grants)**
10 buckets, 10 taps, 10 covers, hydrometer and cup plus maybe one or two other helpful items.

**REVERSE OSMOSIS BUCKETS (3 grants)**
Utilizing filtration and high pressure reverse osmosis, The Bucket creates clean, concentrated sap ready for boiling. Ideal for 5-35 taps, the RB5 creates about 3 gallons of concentrated (4% sugar) sap at 50% water reduction per hour. Click here for more details.
